GIGANTIC JOKEBall Team Proves Biggest
Bunch of Rubes Seen on
Local Diamond.

Conference brought with it a bunch of ball tossers, who were uniforms with the initials G. R., which it is understood stands for Green River. The team came to the city claiming the honor of being champions of southern Utah. This may be true, but it is saying some mighty hard things about the teams Green River has defeated to call the bunch seen here yesterday champions. It is understood that four of their best men were absent in yesterday's game, but the aggregation that lined up to play the locals was certainly the greatest bunch of Rubes that has appeared on a Salt Lake diamond in the memory of the oldest fans.

Seven innings were played and the score was 15 to 0. It could just as well have been 50 to 0, but the game resolved itself into a joke and the few Salt Lakeers who were present considered it as such. In the seventh inning Green River did not get a single hit or anything that could be called a hit. Three men were walked to first, another got there on an error of Sponberg, caused by the muddy field, but not a single visitor reached second base during the game. Outside of Gregory behind the bat, not a player on the visitor's line-up knows how to put up his hands to catch a ball.

The crowd were nearly all Green River rooters. A few local fans were on hand and after watching the visitors warm up, several who are looking for a little easy money at all times, circulated through the stands and took every cent of Green River money in sight, offering whatever odds were necessary to get the money up. The diamond was in no shape to play ball, being several inches deep with mud. The game was delayed nearly two hours on account of the late arrival of the visitors. Green River was informed that there would not be any game on account of the mud, about noon. When the locals decided to play the game, the visitors could not be found, and it took two hours to round up the team and get them down to the park.

Stars of the Detroit Baseball Team, Which Wins the American League Pennant

DATES SET FOR
CHAMPIONSHIPNational Commission Fixes Up
Games for World's Series
—Start Tomorrow.

Chicago, Oct. 6.—Details of the world's championship series between the Chicago club, winner of the National league pennant, and the Detroit team, pennant winners in the American league, were arrived at at a meeting of the national commission here today. The schedule of games follows:

Tuesday, Oct. 8, Chicago; Wednesday, Oct. 9, Chicago; Thursday, Oct. 10, Detroit; Friday, Oct. 11, Detroit; Saturday, Oct. 12, Detroit; Sunday, Oct. 13, Chicago. By agreement of the clubs representing both leagues the rules already existing governing the playing of the championship series were amended so that 60 per cent of the balances from the first four games played shall form a goal for the players of the two teams, 90 per cent of this amount to go to the winning team and 40 per cent to the losing team. The schedule, as adopted, was determined by lots. If any of the games scheduled is postponed on account of rain or for any other cause, the teams are required to play the postponed game on the first day available at the same hour. If a seventh game is necessary to decide the series, the city in which it is to be played will be decided by the lower prices of the players eligible to play in the championship series were designated as follows:

Eligible Player.

On the Chicago team—Brown, Chance, Durbin, Evers, Frazers, Hoffman, Howard, Lammie, Lester, McGuire, McQuinn, Overall, Otis, Pfeister, Reulbach, Sheppard, Slagle, Schulte, Steinfield, Tinker, Walsh, Zimmerman.
On the Detroit team—Archer, Cobb, Coughlin, Crawford, Donovan, Downes, Jones, Jennings, Killian, Lowe, Mullin, McIntyre, Payne, O'Leary, Roseman, Schmidt, Siever, Schaefer, Willett.
President Pulliam of the National league selected Henry O'Day as umpire for the National league.
President Johnson of the American league named John P. Sheridan.
The official scorers selected by the commission were A. J. Flanner and F. C. Richter. The scale of prices for admission to the games was fixed at \$1.00, \$1.50 and \$2.00 for Chicago, and \$1.00, \$1.50 and \$2.50 for Detroit. The reason for the lower prices at Chicago was the large seating capacity of the Chicago park. The games will be called at 2:30 in Chicago and at 2 o'clock in Detroit.

OGDEN TO HAVE RACES
TWO DAYS THIS WEEK

(Special to The Herald.)

Ogden, Oct. 6.—Considerable interest has been aroused among the horsemen by the announcement that a two days' racing card will be put on at the Wasatch Driving park Friday and Saturday of this week. It is now certain that most of the horses that took part in the races at the state fair in Salt Lake last week will be on hand to participate in the event. This should enable the promoters to make the card the best of the season, if not for many years.
The events will include two harness races and two running races each day: 2:30 trot, 2:27 pace and trot, 2:30 pace and a 2:12 pace. The entries will close on Wednesday night. The entrance fee is 5 per cent and 5 per cent additional for the money winners. The purses for the harness races will be \$300 and for the running races from \$100 to \$200, according to distance.

WEIRD SCHEME
FROM BOULDER

Would Form Football League
and Play for Western
Championship.

Boulder, Colo., Oct. 6.—Coach Frank R. Castleman of the state university, already the originator and advocate of several good schemes and suggestions, has still another one to spring on the sporting world. This is one which the football fans will hail with enthusiasm. Coach Castleman proposes the formation of a western league, composed of the universities of Nebraska, Utah, Kansas, Colorado and possibly Wyoming.
Should such a league be formed, football enthusiasts would certainly have a treat.
To go more into detail, Castleman says that the league could be divided into two sections, one composed of Utah and Colorado, and the other of Nebraska and Kansas. He suggests that the members of each division play two games for the championship of said division, and that the winners play for the championship of the league, for two seasons in Denver and two seasons in either of the other states alternately.

Colorado Gets Big End.

Arrangements could be made whereby more than half of these games could be played in Colorado.
The University of Wyoming might be included in this league, as that school has been coming to the front in athletics of late. Such an addition would lend interest to this combination. Castleman says: "While some may think this idea a rather premature one, I think the plan is very feasible and I would like to see it tried. While it may not be done in the very near future, I think that some such league will ultimately be formed. The interest aroused by such a league will doubly increase the number of enthusiasts, while the receipts for such big games would more than pay the expense. After the first interstate game is played some steps will probably be taken toward the formation of this league."

UNIVERSITY HAS
HARD SCHEDULEAgricultural College Not In-
cluded in Maddock's An-
nouncement of Games.

University Football Schedule.

Oct. 12—Denver university, Cummings field.
Oct. 19—All-star team, Cummings field.
Oct. 26—St. Vincent's college, Los Angeles.
Nov. 2—University of Montana, at Missoula.
Nov. 4—Butte School of Mines, at Butte.
Nov. 9—University of Colorado, at Boulder.
Nov. 28—Colorado college, Cummings field.

This is the official schedule for the university football team which has just been completed. No game with the Utah Aggies appears on the list. Coach Maddock reserved Oct. 19 for the A. C., but it is understood that they have arranged a game with All Hallows college on that date, so Maddock consented to have his team meet an all-star team. The all-star eleven will be composed of men who reside in the city who have played on eastern college teams, and an exceedingly strong aggregation can be brought together.

The Aggie game will be missed by many who have seen this annual contest for many years, but comparative scores will give them an opportunity to judge the two teams. One point has already been tallied in favor of the university. The Ogden High school was defeated by the east benchers by a score of 19 to 0. Six points on a fluke was the best the A. C. could C. Richter. The scale of prices for admission to the games was fixed at \$1.00, \$1.50 and \$2.00 for Chicago, and \$1.00, \$1.50 and \$2.50 for Detroit. The reason for the lower prices at Chicago was the large seating capacity of the Chicago park. The games will be called at 2:30 in Chicago and at 2 o'clock in Detroit.

The race between Philadelphia and Detroit, which finished by Detroit winning over St. Louis yesterday, is the most remarkable race in the history of baseball. For the past two weeks these two teams have been fighting as two teams never fought before, and the outcome was not settled until yesterday's games were played. To Cobb and "Wild Bill" Donovan, probably more than any of the other players, belongs the credit of Detroit's victory. Cobb's hitting has been wonderful, and Donovan's pitching has been the talk of the baseball world in the final wind-up of the season.
